Igreja de Cristo o Salvador (ICOS)

Interns Needed In Brazil!

For nearly five years, the Cullman Church of Christ has helped support Matt and Mary Virginia Mabery our missionaries in Salvador, Brazil. The Mabery family is part of a team of three families who moved to Brazil to establish the Lord's church, and today this young congregation numbers around forty members, with a regular attendance of over 50!

The work continues to go very well, and the Salvador team is now seeking to recruit two additional families to join the team, and are also seeking college students or young professionals who would want to take part in a Summer internship, or a two year internship; working with the Salvador Mission Team!

What the Salvador team is seeking for in these internship opportunities are individuals who are ready to live a radical life for Jesus. You need to have a burden in your heart to share the Gospel with others, and be willing to live in a different culture. The ability to work well with others is a key requirement, as you will be working in a team environment. Most importantly, you must be a person of faith, who is constantly growing and being transformed by your relationship with God!

If you, or someone you know, might be interested in such an internship, additional information including a four minute video is available. Please contact Jim Wright or a member of the Missions Committee to receive this information!

And, as this work moves forward, let's all commit to praying for its success. To help remind us, refrigerator prayer magnets featuring the Mabery's and this work are available from the Information Center. Please pick one up today!

Want to know more? Another resource would be to contact Mission Committee member Carol Echols, who visited the Mabery's in Brazil a few years ago!
